

Dear Parents and Students,

Greetings to you all from Don Bosco School Katihar! It is with much delight that we would like to inform you about the re-opening of our School from 16th August 2021 as per Government Guidelines.

However, we plan to give you an option with regard to the class mode you desire to pursue. You may choose either the physical (offline) or the Virtual (online) classes as per your wish and not both.

These classes will be held on Alternative days with 4 periods a day, starting at 9 am and finishing at 12.10 pm. Those opting to come to school for physical classes from High school (Cl.5 to 10), will come on Mondays, Wednesdays and Fridays and report to school by 8.30 am and those opting to come to school (offline) from Primary sections (Cl.1-4) will have their classes at the same time on Tuesdays, Thursdays and Saturdays. Home tasks will be provided to the students by the teachers for the rest of the 3 working days.

Those opting for Virtual (online) classes from the High School will have their classes on Tuesdays, Thursdays and Saturdays and those of the Primary sections will have their online classes on Mondays, Wednesdays and Fridays.

The Class schedule will be the same for both the days of offline as well as online classes. The upcoming Class tests will be conducted from 7 pm to 7.30 pm unless otherwise instructed by the teachers. Those coming to School for physical classes are requested to get a letter of Consent from the Parents and submit it with your respective Class Teachers on the First day of physical class.

The school administration will try to look after all the requirements needed to fight the virus and we request all the parents who will send their wards to the school, to provide the requirements for your wards to ward off the Corona virus. Please keep in mind Social Distancing, Mask wearing, Sanitization etc. while you are in the school as well as while you commute to and fro.

The rest of the information will be shared by your respective Class teachers. So welcome to the new world of learning...! Thank you and God bless each of you.
